

## **DNYANESHWAR DHANGAR**

**M.E.** in Information Technology

**B.E.** in Computer Science & Engineering

---

**Email:**     **[dnyaneshwar.dhangar@mctrigit.ac.in](mailto:dnyaneshwar.dhangar@mctrigit.ac.in)**

---

**Designation:** Assistant Professor in Computer Engineering Department

**Experience:** Educational 10 Years

---

**Areas of Interest:** Database System , Data Warehousing & Mining, Networking

---

### **Publications**

#### **Journals:**

- Dnyaneshwar Dhangar, “**Auto Text Summarization and Categorization**”, International Research Journal of Engineering and Technology (IRJET), Volume: 05 Issue: 04, April 2018
- Dnyaneshwar Dhangar, “**Exam Cell Automation System and Timetable Generator**”, International Journal of Creative Research Thoughts (IJCRT), Vol 6, Issue 2 ,pp. 2320-2882, April 2018
- Dnyaneshwar Dhangar ,”**Real time object detection and recognition and estimation of price of object**”, IJRSE 2017, issue 7
- Dnyaneshwar Dhangar, ”**Detection and recognition of object and providing purchase links using APIs**”, IJESE April 2017
- Dnyaneshwar Dhangar, “**Location Based Tracing Application Using Android Mobile Operation System**”, International Journal of Scientific & Engineering Research, Vol. 5, Issue 3,. ISSN: 2229-5518, March 2015
- Dnyaneshwar Dhangar, “**Removing Convergence using FCP with Source Path Routing**”, International Journal of Engineering and Science Invention, Vol. 3, Issue 2, eISSN: 2319-6734, PISSN: 2319-6726, February 2015.
- Dnyaneshwar Dhangar “**Removing Convergence Using FCP With Source Path Routing**”, IJESI 2014 ISSN 2319-6734 volume 3 issue 21 feb 2014
- Dnyaneshwar Dhangar, “**OSPF With Deterministic Routing**”, IJERT 2013, ISSN 2278-0181 Vol.2 Issue 10, Oct 2013.

---

## **Project Supervisor**

### **UG level:**

1. FCP With Source Path Routing.
2. Detection and recognition of object using APIs
3. Exam Cell Automation and Time Table Generator

---

### **Professional Bodies Association:**

- Life Member of ISTE

---

### **Certification Course:**

**NPTEL online course completed in “Database Mangagement System”, April 2018 with Ellite Group Certificate.**

---

### **Additional Responsibilities**

- Industrial Visit Coordinator for 4<sup>th</sup> year engineering for past 3 years
  - Microsoft Coordinator for engineering for past 4 years.
  - Microsoft IT academy Coordinator.
  - Biometrics Coordinator for attendance System
  - Network Administrator.
-
